

## **CESDEV Organizes Field Visit on Green Economy and Sustainable Development to IITA**

The Centre for Sustainable Development (CESDEV), University of Ibadan ([www.cesdev.ui.edu.ng](http://www.cesdev.ui.edu.ng)) organized a field visit to the International Institute of Tropical Agriculture (IITA) on Tuesday, 28 October, 2014 as part of the activities for the training programme on emerging issues in green growth, green economy and sustainable development. The participants at the training programme were leaders and policymakers from Ogun, Lagos and Oyo States in Nigeria.

The locations visited at the IITA are the Water Recycling Unit, Aflasafe Unit, Cassava Processing Unit and Lakeside. The participants were fascinated with the contributions of IITA to green growth, and commended the Environmental Protection and Natural Resources Programme (EPNARP) of the Centre Sustainable Development, University of Ibadan for facilitating the training programme.
